To Whom It May Concern,

The Deady faculty, students, and community commend Mr. Anthony Gonzales for his great talent and message he provided to the students and faculty during the celebration of Drug Free Schools program on October 27, 2004. The Deady students were very excited, happy, and focused during Mr. Gonzales Drug Free School presentation. His beautiful voice and songs conquered the hearts of the students at Deady. The little girls requested Mr. Gonzales's autographs crowding the stage at the end of the program. Mr. Gonzales songs and speech impacted the live of all the students in a positive manner. Our students were overwhelmed by his message that they stared seeking counseling. I can testify that his caring message was heard and received very enthusiastically by all the students.

The Deady Learning Community admires and appreciates Mr. Gonzales talent, hard work, dedication, compassion, gentleness, and tremendous sense of goodness toward our youth. He is a pillar of the Deady learning community. The Deady learning community wishes Mr. Gonzales great success in his artistic endeavors.

If you have any questions regarding Mr. Gonzales, please do not hesitate to contact us. My telephone numbers are (713) 845-7411 and (713) 845-7499.

Respectfully,

Silvia B. Wilson  
Assistant Principal
